P.S. (1) Review the Enclosed Berkey® advertising flyer. It will answer most of your questions. If you need additional help; you may write or call Country Living Customer Service 817-301-5693 or P.O. Box 2961, Burleson, Texas 76097

P.S. (2) Please use the standard order form inside the folder when buying either a single unit or multiple case lots. You may choose any model listed except the Historic British Berkey®, which is already discounted.

Simply indicate on the order form, the number of purifier units you want (4 units per case). Then multiply that number x the single unit price. After that subtract the appropriate discount per cent from the total case price. This gives the final total cost for your multiple unit, case lot, discount order.

Free shipping for case lots to one address. Add \$15 per unit if drop shipped individually. Please add sales tax and shipping expense when required.

P.S. (3) We will gladly send you a supply of Berkey® advertising flyers to be forwarded to your local church Pathfinder Directors for their clubs.
